Did You Know...

B&D MFG INC.
Geo Girl

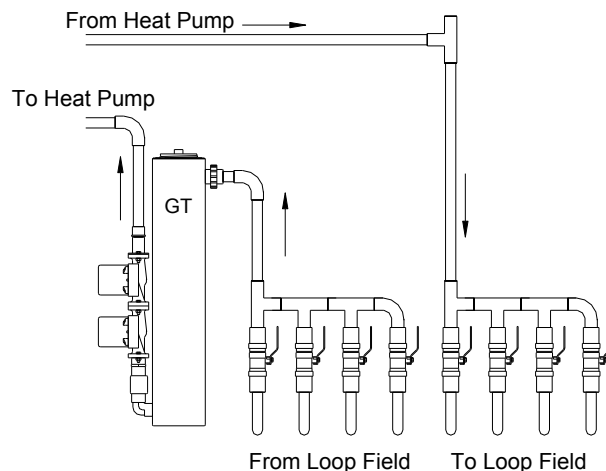

B&D in-house fabricates custom insulated PVC manifolds as well as HDPE manifolds for your indoor headers. PVC manifolds are sold in pairs and are available in multiple sizes.

Advantages of indoor manifolds include installation without the requirement of socket heat fusion tools, and isolation for each loop for filing, purging, and diagnosing any loop issues.

For more information refer to page 64 of Volume 7 B&D product catalog or contact sales@bdmfginc.com for more information and configurations.

Insulated PVC Manifold
