

December / January Flyer

Christmas & New Years Holiday Hours of Operation:

The B&D MFG, INC. factory will be closing at 12PM on Wednesday, December 24th and resume normal business hours on Monday, January 5th. There will be no orders processed during our closure. We will provide technical service from 7:30AM - 4:30PM Central Time. Please travel safe this holiday season!

Effective January 1, 2026, there will be a price increase on all Grundfos pumps as the manufacturers new price goes in effect at the start of the new year. Please place all pump orders by 12/31/2025 to receive your current sell price.

2026 Pricing Updates

Effective February 1, 2026, there will be a new list price on all B&D products.

Those new list prices will not be available until the last week of January.

Please contact updates@bdmfginc.com to be added to the email receiving list once this is available.

Request a website login for online pricing access at sales@bdmfginc.com to have current list price and distributor costs on all products while logged in.

Closed for Inventory Notice!!!

B&D will have limited order processing from Monday, January 26, 2026 until Friday, January 30, 2026 for our yearly inventory.

Please plan your orders accordingly to avoid any delays.

HSS® Air Handler Production Update

HSS® Air Handler Lead Times

Current lead times are 15-20 business days due to high volume orders at this time to fulfill the year end rush. Please note that all orders are processed in the order they are received.

Note: Expediting of air handler orders is an option, but there are limited quantities allowed each week. Please contact the Sales Department for more information.

HSS® Air Handler kW Delays

B&D MFG INC. is currently experiencing a delay on our kW heating elements. The delay stems from our renewal certification as the new electrical requirements for auto/manual reset button for the high temp switch.

Note: All units will be shipped without the kW assemblies installed and billed accordingly. All kW backorders will be shipped once they have arrived and passed retesting. Please contact the Sales Department for more information and kW lead times.
