

Smart Variable Speed Multizone Confirmation

901 9th Street ● Scranton, Iowa 51462 ● Phone: (866) 646-6742 ● Fax: (800) 952-7101 ● web: www.bdmfginc.com

The B&D MFG, INC. Smart Variable Speed Multizone is a customized product built to our customer's exact specifications. B&D asks that this conformation sheet is accompanied with a Purchase Order for a Smart Variable Speed Multizone. Orders will NOT be acknowledged without this confirmation sheet.

Distributor Name _____

Purchase Order Number _____

Contractor Name _____

Job Name _____

Required System Flow Rate _____ GPM @ _____ Feet of Head

Be sure that the total system pressure drop is calculated in Feet of Head. Total system pressure drop must include loop field and interior piping. *Please note; distributor costs may change if system requirements are different than originally quoted.*

* B&D MFG, INC is NOT responsible for calculating system flow rate or pressure drop.*
